## Report for Parish Council

It's been a busy year for the children and staff of Walpole Cross Keys. After nearly two years of being in class bubbles, it has been lovely to see the whole school gathered together again for playtimes and assemblies. The school has undergone staff changes over the past year: we have welcomed new staff as some of our long-serving staff have retired. As we learn to live with COVID we have once again been able to invite parents into school and at Christmas, children in Class 1 and 2 put on a wonderful production of The Christmas Story followed by Class Three singing a rendition of Christmas songs and carols. The children across the school have continued to make us proud by representing the school in a variety of sporting events since the beginning of the year such as netball, cross country and gymnastics. Each class has had the opportunity to go on an educational visit and we continuously strive to provide the children with additional enrichment activities.

Looking forward, we have plenty of exciting activities planned to celebrate and commemorate The Queen's Platinum Jubilee at the end of May. In July, after working extremely hard for their SATs, Year 6 will have their residential to look forward to and all classes will be putting on a class assembly to showcase their learning between now and the end of term. We will shortly be having an outdoor gym installed on the field and of course we look forward to welcoming new families who have chosen to send their children to Walpole Cross Keys in September 2022.

For more information on events and activities taking place at school, please see our school website.
