**Walpole Cross Keys Parish Council May 2022 AGM report.**

As the County Councillor for the Marshland North Division, it's been a pleasure to work alongside the Parish Council for the last twelve months and I look forward to the following years.

I was pleased to help set up the village litter picking group, personally supplying the litter picking equipment and helping with the picks. I must thank Angela Warner for starting the group. Those of you who haven't yet joined in with a pick I thoroughly recommend it, it's very satisfying and you get refreshments.

I have also engaged the King's Lynn Internal Drainage Board into conversations and site visits to investigate some local flooding issues. This is ongoing, special thanks to Nick the Parish Council Chairman for his input and time spent with the meetings.

With the support of <https://poplamurseriesltd.co.uk/> who donated the trees I have supplied four Flowering Cherries for the village. They seem to have taken root; I look forward to them maturing over the coming years.

The majority of my members allowance has been allocated towards the speed reduction scheme on Market Lane, this will see the speed limit set to 40 MPH, hopefully this will be in place by Summer 2022.

Throughout the year I keep Caroline the Parish Clerk up to date with my monthly reports and news from County Hall, sorry Caroline for the numerous emails every week.

I continue to fight the corner for West Norfolk at County, some councillors don't even know where we are, it's a sad situation! I do remind them Norfolk stretches further west than East Dereham.

I am always available for constituents to contact me either Email: [julian.kirk.cllr@norfolk.gov.uk](mailto:julian.kirk.cllr@norfolk.gov.uk) or telephone 07816909870 or through my social media.

Kind regards,

Julian.
